***" CREATING SOUND BUSINESS
RELATIONSHIPS!"***

“Before you can make an informed decision about the insurance you need, you must first be informed.”

Special insurance needs require special insurance coverages. The design of your **Insurance Program** recognizes just that. With the support of a strong insurance carrier and a knowledgeable brokerage team, this **Program** offers real value!

FloristsPak is a small business insurance package encompassing a broad array of industry-specific coverages. **FloristsPak** has core coverage that is second to none. However, if your business has special insurance requirements, **FloristsPak** has easy-to-upgrade options available to fit your needs precisely.

FloristsPak offers extensive coverage in the following key coverage components:

- **Commercial General Liability**
- **Commercial Property**
- **Business Interruption**
- **Equipment Breakdown**
- **Business Income**
- **Crime**
- **Professional Liability**

A variety of optional coverages are also available.

- **Group Accident**
- **Employee Benefits**
- **Umbrella Liability**
- **Condominium Unit Loss Assessment**
- **Commercial Auto**

A competitive commercial insurance plan that meets the needs of the floral industry.
